### Principal's Report

#### **Junior School Council Fundraiser for Clifton Creek Primary School**

A big thank you to our students and families for supporting the Clifton Creek Primary School community during our recent fundraiser. Along with other network schools, the \$828.20 dollars raised by our Camelot Rise student community last Friday will assist their school community in getting back on their feet. During the school holidays a local Principal, Charles Spicer @ Mulgrave PS was in contact with the Principal @ Clifton Creek PS and they are extremely

in contact with the Principal @ Clifton Creek PS and they are extremely

grateful of the support of the many schools that have supported their community. Below is a copy of the email:

*'Thank you for your lovely email of support. It has indeed been a devastating time for our school community, but feel blessed that everyone is safe at this stage. It has been so heartening to firstly learn that the government intends to rebuild our beautiful little school, but also to have people like you offer so much support. At this stage it is difficult to know exactly what is the best way to utilise the support offered, but this will become clearer over the next days/weeks. We will certainly be welcoming all support and once we know where we will be located in the early stages of the school year and have a full picture of the support offered, we will be in touch with everyone.'*

**We feel very lucky that we are able to help another community that has experienced such heartache. Thank you Camelot Rise PS.**

### **Camelot Forest Mosaic Mural**

*Our Camelot Forest Mosaic Mural is now complete!*

This piece of work led by our talented Andy Pullar (Education Support / Integration Aide) has been 20 months in the making. This process has involved student, parents and staff throughout the journey. A true community event that will form part of the history @ Camelot Rise PS.

To say thanks to Andy is simply not enough. Andy has put in over 800 hours to create this. Yes, 800 hours! The majority of these hours were during his own time including nights, weekends and school holidays.

We will be holding an official grand opening of the 'Fellowship Garden and the Camelot Forest Mosaic Mural' in the future to recognise these important events in our school's history.

Below is an email from Andy Pullar (Education Support / Integration Aide) sent to all staff:

*'It's finished! After twenty months and hundreds of hours of work by children, families and staff, our 'Camelot Forest' mosaic mural project is at last complete!*

*'Thank you so much to all of your support, without which this could not have been achieved. Thanks to Helen for offering me the opportunity to work with our wonderfully talented students and for her continued support as the project quickly expanded into something much grander than we had anticipated. Thank you to Matt for his immediate enthusiasm and for ensuring the support and resources needed to see the project to completion. Thanks to Haley, Ash, Cameron and Gemma for allowing me repeatedly over the past two years to work with our Foundation students on the design, and for all the teachers across other levels whose students I was also able to work with. Wendy Punay, Linda and Amanda Curtain provided supervision for various class time mosaic sessions, and Sharon and Deb Hong were very generous in applying their previous mosaic during project afternoons. Since my arrival at Camelot I have been inspired by the enthusiasm staff have shown for the artistic talents of our students, and driven forward by the encouragement of staff, students and their families. A special thanks for the generous donations from Choices Flooring Ferntree Gully ( the Moroney family), Bunnings Warehouse Vermont South, and the staff and management of Nachos Cantina Mt Waverley - so many broken plates! Add to that all the broken crockery and tiles, and we have an artwork the whole community can be very proud of.'*

*Sincerely,*

*Andy Pullar*

### **Congratulations to our Swimming Team**

A huge congratulations to the Camelot Rise Swimming Team that won the Waverley East Sports Association Swimming competition that was held last Wednesday!

This is a great effort as we were competing against schools with much larger student numbers than ours. We are very proud of these achievements.

A number of our students have progressed to compete in the Monash Waverley Division Swimming competition today (Tuesday). We wish all of these students the best of luck.

### **Our new look newsletter**

We hope that are you enjoying the look and format of our newsletter. Thanks to Kerryn Wardle for researching and developing her skills to enable the school to use this new template for our newsletter.

<https://inewsletter.co/>

When you are accessing our newsletter and looking at the photos you will notice a white arrow over some of the photos. If you click on this arrow you will be able to see additional photos. This is a great function that we are most impressed with and we hope you are too!

### **Learning Together**

#### **Parent Professional Learning Opportunities**

In Term Two Camelot Rise Primary School will be offering parents the opportunity to participate in a Professional Learning session to further increase their understanding about Literacy in the home and at school.

This Professional Learning session will be conducted in the library and are designed to be an interactive, thought provoking community event that helps to strengthen the important link between home and school. This session will provide parents with the necessary instructional language and techniques to foster reading and writing development in the home and the classroom.

#### **Thank you to our departing School Councillors**

At our upcoming March School Council meeting we will be saying thank you and goodbye to a number of School Council members who will be attending their last School Council meeting. We would like to acknowledge:

*Kiet Hua, Kim Doan, Tony Goldsmith (Treasurer), Gerard de Vries & Alex Feng.*

These people have been a great support and we deeply appreciate their efforts over the past 2+ years (in some cases this has been many more than 2 years!). They have all made their mark and left the school in an excellent place. Thank you!

We would like to welcome and congratulate our six new School Council members for 2020 & 2021:

*Keean Braybon, Glen Northey, Cindy Zhou, Anna Earl, Jo Dutoit & Amanda Neary (DET representative).*

There is still one casual vacancy for parent representatives to join our school council. Please either send me an email or call me to discuss how you can become part of our school council.

### **2021 Enrolments- sibling enrolments**

Tours for 2021 have already commenced as we continue to have high demand for places at Camelot Rise Primary School. Enrolments for 2021 are now being taken. Families with siblings intending to enrol for 2021 are asked to do so this term, to ensure the availability of places whilst we accommodate all requests from our neighbourhood area. Forms and information packs are available from the office. Please feel free to come in or call if you require more information

### **Year 6 Camp**

I am currently attending the Year 6 Camp and we are having a great time. We are looking forward to many exciting activities including:

- cultural investigations with bush-tucker and indigenous history
- environmental activities
- camp-craft and camp cooking

### Key Features of School Wide Positive Behaviour Support Program (SWPBS)

As mentioned in the first newsletter of the school year, we begin the implementation of School Wide Positive Behaviour Support Program in 2020; it will be a 5-year journey to full implementation.

Implementation of SWPBS requires commitment by the whole school community, particularly from the principal and leadership group. We have established a SWPBS Implementation Team- Miss Ash Jacobs, Miss Amanda Curtain, Miss Amanda Neary, Ms Ilana Tusia and Mrs Sarah Woods, Mr Paul Carron, Mr Andy Pullar and myself. We have two parents whom have volunteered to be involved from the community side and our Level 6 Wellbeing Leaders, SWAT Team and Class Captains will all be involved in sharing information with classes across the school.

All SWPBS schools implement eight essential features. They will:

- Establish a common philosophy and purpose: Staff and students use a common language to discuss behaviour. School philosophy emphasises the need to teach appropriate behaviour much like academic learning.

- Establish Leadership and school-wide support: School leaders publicly endorse and support SWPBS. A team at the school leads implementation by creating, reviewing and monitoring an action plan. The work is done in collaboration by the whole staff with input from parents, students and the community.
- Clearly define a set of expected behaviours: The school identifies 3-5 behavioural expectations that apply at all times. Clear, positively stated examples are identified and displayed in different school settings.
- Establish procedures for teaching and practising expected behaviours: A school-wide plan is developed to ensure behavioural expectations are taught to all students by all staff.
- Implement a continuum of procedures to encourage expected behaviours: School-wide systems are developed to acknowledge expected behaviour and promote commitment from all members of the school community.
- Develop a continuum of procedures to discourage inappropriate behaviour: Schools clearly define problem behaviours and identify specific strategies and responses to minor and major behavioural infractions.
- Use procedures for record-keeping, decision making and ongoing monitoring: Schools review data on repeated behaviour issues, the settings in which they occur, and the consequences most likely to be applied for inappropriate behaviours. They correlate these with other sources of data such as academic progress, and analyse this data to make necessary adjustments to school operations in an effort to reduce inappropriate behaviour.
- Support staff to use effective classroom practices: Schools establish systems to support staff to adopt evidence-based instructional practices associated with reductions in inappropriate behaviour.

Any questions about SWPBS please ask one of the implementation team.

## Visual Arts Spotlight

What a busy term we have had so far in the Art Studio! There has been a lot of excitement preparing for our recent Toonworld incursion with groups preparing their storyboards and allocating roles for each member. We had some students select to be directors, camera woman/men, animators or to be in charge of vocal effects for their group's clip. Every class laughed, moulded characters and used digital technology to create a short Claymation clip. Here are some photos from our visual arts incursion.

### **CLAYMATION**

### DREAM CAR COMPETITION

We had 44 students enter the 'Toyota Dream Car' competition. I have challenged students to design cars of the future that will make a positive difference in our world. Please visit the multi purpose room to view copies of these designs. I have been super impressed with the 'thinking out of the box' designs and wish all entrants good luck! In my eyes they are all winners and I thank them for having a go.

### Waverley East Sports Association Swimming Carnival

Congratulations to all students who competed at the Waverley East Sports Association (WESA) Swimming Carnival. What a great day of competition with our swimmers starring, encouraging and supporting! A thank you goes to staff and parents who helped out and supported on the day. There was great excitement at the end of the event when Camelot Rise PS were announced winners of the main pool competition. This was the first time for many years. Go Camelot! Good luck to all students who will now go on to compete at the Monash Waverley Division Carnival on Tuesday 3rd March at Monash Recreation Centre.

### Level 1/2 Healthy Snack Attack Incursion

Last Wednesday 26th February, the Level 1 and 2 students participated in some fun and interactive activities about making good snack choices that contribute to meeting their daily needs. Activities included identifying the 5 food groups, traffic light snacks to categorise food

and drinks as green (best choice), orange (ok choice) or red (sometimes food), a sensory blindfolded game to identify fruit through taste and smell and then a yummy fresh fruit platter to share.

### Twilight Sports and BBQ

#### **Date for the diary**

Date: TUESDAY 17th MARCH 2020

Time: 5:00pm - 7:00pm

Venue: Capital Reserve, Glen Waverley (Capital Ave).

This is a great family night. The school will be running a BBQ for all your dinner needs, all you need to bring is a chair or blanket and leave the cooking to us.

Sausages in bread and a vegetarian option will be available for sale.

Students will be involved in sporting events throughout the night.

Children will have the opportunity to have dinner at various times through the evening and we will continue selling when the races are over. Clean up will then follow.

The School is asking for volunteers that can help assist on the night, either to help set up, help with the BBQ (selling and cooking) and people to help clean up. If you are able to assist please complete this link,

by Friday 13th March. Helpers will be notified of the time they will be needed. Thanks in advance for your support.

## School Photos 2020

Camelot Rise Primary School School Photos will be held on Wednesday 18th March 2020 from 9.00am

Last week students will have bought home information on how to order.

In addition Online Sibling Ordering will be open until midnight the night before photo-day. This is as late as possible to enable as many parents access to online ordering.

A complete online report of all families that have purchased a sibling package will be automatically emailed to the school email (only) on the morning of photo day (before 9am). Students may also return a sibling order envelope (available at the school office). Students whom have ordered Online will not need to return an envelope.

Please note that we do not photograph every family within the school.

Sibling photographs are by request- that is, only families that have placed an order online or via an order envelope by day of photography, will have a photograph taken.

## Classroom Cuisine

A note regarding Classroom Cuisine Sushi in 2020.

We are now using a product called Natureflex - a biodegradable / compostable bag for our Sushi. The most expedient way for us to close it is with a taped neck - it's that coloured tape - you might be familiar with it - you'll often see hand bagged lollies in cellophane with it as the closer!
