Production- Toys Aren't Us- 'A Toyriffic Tale'

Last week students from across the school performed in our school production over four incredible nights. The students did an amazing job performing in their house groups; Avalon-Monday, Chivalry- Tuesday, Galahad- Wednesday and finally King Arthur- Thursday night. The success of an event like this does not happen without significant time and commitment from our staff, students, families and community members. I would like to acknowledge and thank the following contributors:

Influenza

Victoria is experiencing one of its worst flu seasons in recent times, according to authorities.

There have been 13,000 flu cases in the state so far this year, nearly double the number that had been confirmed this time last year. Flu can hit anyone, it can hit the healthy or the unhealthy, young or older people.

The Department of Education has encouraged schools to advise families of students with suspected cases of the flu to contact health services and stay at home until symptoms have passed.

Holidays

We are finishing another wonderful term at CRPS this week with a very short assembly at 2.20pm on Friday in the undercover area. It has been a particularly long term and with inclement weather for the majority of the term and many staff and students nursing colds and flu, I think we are all ready for a rest. However, we have a lot to celebrate, the learning and progress our students have made with the support from their families has been excellent, we have had many sporting events including Hoop time and Athletics, Transition 2018 sessions are underway, Father's day breakfast, Footy Fever day (on Friday 22nd September- go Dees!) and of course our wonderful school production.

Thank you to all the students, staff and families for all your efforts this term. We hope you have a wonderful break. I will be taking Long Service Leave from 9th-20th October inclusive; in my absence Mr Peter Mills will be Acting Principal.

Leaving At the End Of 2017

If you believe that your child/ren may be leaving Camelot Rise at the end of 2017 (and not as a Grade 6 student), please let us know. Obviously, we do not want to see you go but understand changes in family circumstances; therefore, your early notification really will assist us with planning for next year.

Term 4 is extremely busy for our school community. If parents need to see Peter Mills (Assistant Principal or myself to discuss any concerns, please call the school on 9803 5344 and an appointment time can be made or alternatively come to the school office for an appointment time to also be made.

Have a great week.

Thunderstorm asthma

Summary

- People who have asthma or hay fever can get severe asthma symptoms during pollen season when high grass pollen counts combine with a certain type of thunderstorm.
- When a large number of people develop asthma symptoms over a short period of time, this is known as epidemic thunderstorm asthma.
- Epidemic thunderstorm asthma events are uncommon and don't occur every year. In south-east Australia they can happen during grass pollen season from October through December.
- Thunderstorm asthma can affect those with asthma or hay fever – especially people who experience wheezing or coughing with their hay fever. That's why it's important for people with asthma or hay fever to know about thunderstorm asthma and what they can do to help protect themselves during grass pollen season.

Uniform Shop News

Dear Families of Camelot Rise Primary School,

Over the past year, our School Council has discussed at length, the implementation of our school uniform with the new logo. We have asked that all students be wearing uniform with the new logo by the beginning of the new school year in 2018.

We would like to thank all our families that have already purchased the new logo uniform and recognise that many families are choosing to wait until Term 4.

To support the transition to the new logo uniform the school is offering an exchange of either a long or a short-sleeved polo shirt at a discounted rate. The offer is available in the last two weeks of Term 3: **MONDAY 11TH SEPTEMBER - FRIDAY 22 SEPTEMBER INCLUSIVE.**

The costs are LONG SLEEVED \$20.20 and SHORT SLEEVED \$17.50

Danielle Macleod, Linda Bett and 6BM have looked into the recycling of old uniforms and they can be recycled free of cost through H&M in Eastland and Chadstone. Parents can drop off garments directly at the Eastland or Chadstone stores. When you donate, you will also receive a 15% off voucher for H&M with a max of two vouchers per person per day. Alternatively, all old logo uniforms can be dropped off at 6BM's classroom. There are also collection boxes in the Library, Uniform shop, Unit B & D and 4H.

If you have any questions about any of this please ask,

Ms Helen Thomas

Principal

Mr Gerard De Vries

School Council President

School Council have ratified the following dates for CRPS uniform change-over:		
		
YOU CAN WEAR THESE UNIFORM LOGOS UNTIL END OF 2017		NEW PRINTED UNIFORM LOGO ONLY FROM 2018 ONWARDS

校委会决定 CRPS 校服 更换日期 如下:		
		
以上校标可以穿戴 至 2017 年末		新打印校服校标 仅 自 2018 年初生效

CRPS old uniform recycling drive

Each year tonnes of clothes and textiles end up in landfills, but as much as 95% could be used again. 6BM have decided to run a clothing donation drive for all the old Camelot Rise School uniforms what will not be worn again in 2018 when new uniform changes take effect.

With some research, we have discovered that the clothing company H&M has a garment collecting initiative, which has been created to decrease clothing waste.

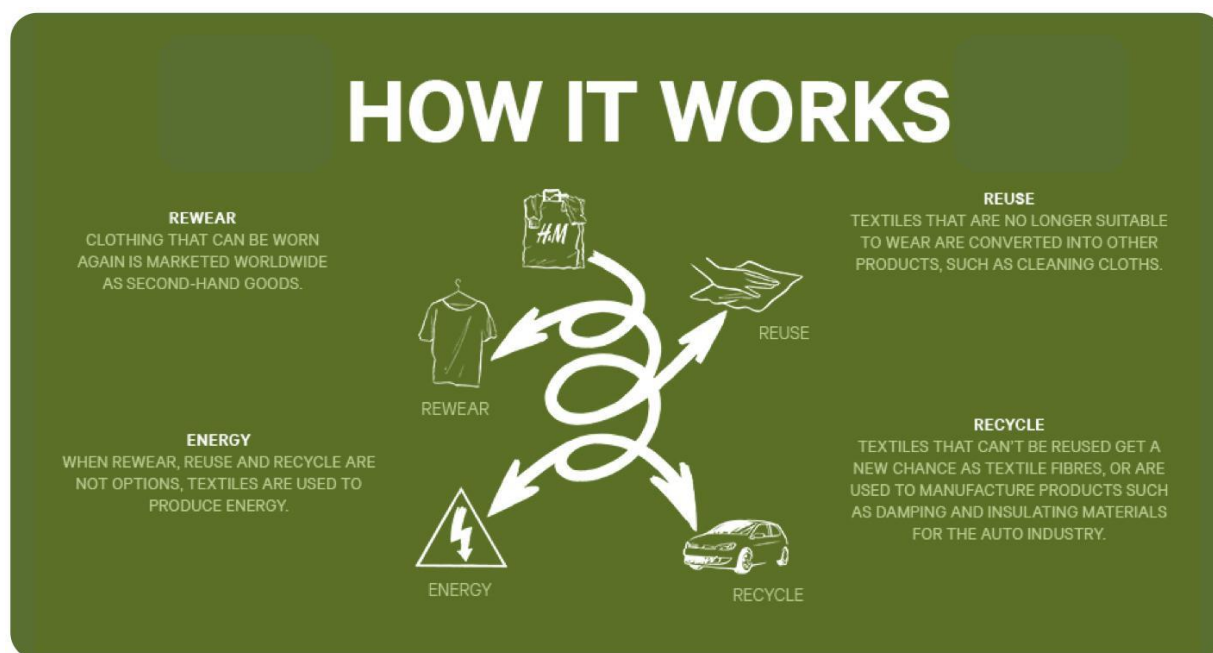

6BM along with the Uniform Shop are running clothing drive where you can donate your old school uniforms and any other unwanted clothes. They will then be taken to a H&M store to be donated for recycling.

You will be able to donate your old school uniforms along with any other unwanted clothes and they will be taken to an H&M store to be donated for recycling.

Once the old garments have been dropped off in a store, the company I:CO collects and sorts them into three categories:

- Rewear – clothing that can be worn again will be sold as second hand clothes.
- Reuse – old clothes and textiles will be turned into other products, such as cleaning cloths.
- Recycle – everything else is turned into textile fibres, and used for things like insulation.

We will be running this drive from Week 8 of Term 3 until Week 8 of Term 4.

Marked boxes for collections will be located in the Library, Uniform Shop, Unit B, Unit D, 6BM & 4Hs classroom.

Every donation made will receive a raffle ticket to win a 15% off voucher to H&M. There will be a number of vouchers to be won. This will be drawn at the end of Term 4.

Thank you for your support

Please book an appointment at www.trybooking.com/LLMO

Canteen

Term 3 Roster

Can you help volunteer in our school canteen, we need volunteers for Term 4 especially on a Thursday

Term 3 the canteen will be offering snack sales on Tuesday, Wednesday and Thursday lunchtime.

**We can never have too many parent helpers, so please contact
Belinda Foster (djabf@tpg.com.au or 0413 308 978) if you would like to volunteer.**

It is a great way to get involved, meet new parents and spend time with the kids!

Walk to School is back

Every October, Walk to School encourages Victorian primary school kids to walk, ride or scoot to and from school. It's a great way to help students earn healthy habits and achieve the recommended 60 minutes of physical activity, every day.

Along with the health benefits, active travel options to and from school reduces traffic congestion, save on parking and helps the environment. Therefore, it is great for the entire school community.

Tuning in to Kids

Emotionally Intelligent Parenting

A six session parenting program for parents of children aged 4 to 11

Would you like to learn how to:

- be better at talking with your child?
- be better at understanding your child?
- help your child learn to manage their emotions?
- help to prevent behaviour problems in your child?
- teach your child to deal with conflict?

Tuning in to Kids shows you how to help your child develop emotional intelligence. Children with higher emotional intelligence:

- have greater success with making and keeping friends
- have better concentration at school
- are more able to calm down when upset or angry tend to have fewer childhood illnesses

Emotional Intelligence may be a better predictor of academic and career success than IQ!
